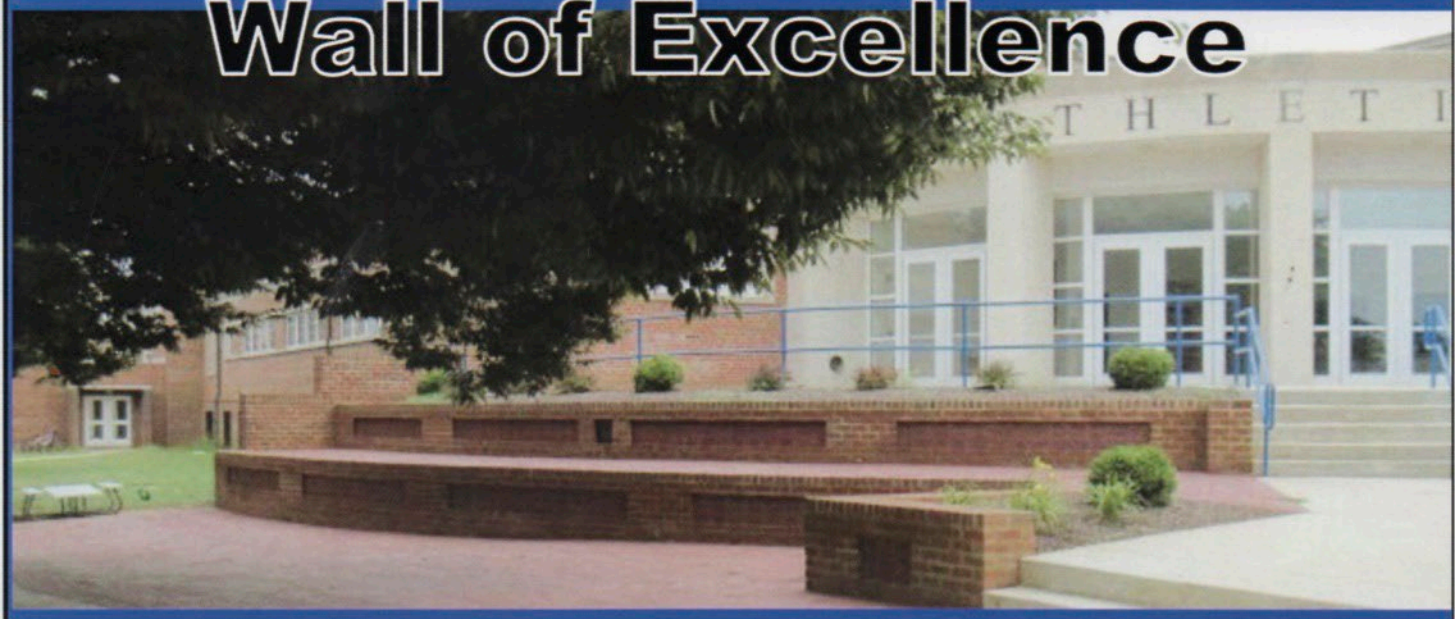
E.C. Glass High School

Wall of Excellence



The walls and terrace located in the rear of the school and pictured above were built in 2009. The initial construction was primarily funded by the E.C.Glass Class of 1964 in order to honor and memorialize its classmates. Since that time, hundreds of other alumni, current and former faculty members, staff and administration as well as current and former students and their families have purchased engraved bricks to be placed in the terrace. In addition, state championship teams and individuals are recognized with a brick. The Wall of Excellence continues to be a source of pride for our school, and any member of the E.C.Glass community may buy a brick. At the end of each school year, a dedication is always planned. Profits from the sale of bricks go to the specific needs of the school's various clubs and disciplines(Beacon of Hope, Band, Forensics, Theater, R.O.T.C., Athletic Boosters, etc.) as they are requested.
