

SMS Sunday Message: February 21

Good evening, Spartan Family! This is Matthew A. Mason, proud principal of Sandusky Middle School, and here is the Sunday Message for the week of February 22 - 26. This message has been forwarded to our SMS family via email and can also be found on our website under the Sunday Messages tab.

- SMS Family, I would like to introduce coach Trumaine Kelso as our new Athletics Director. We are super lucky to have him in this position. If you have any questions or concerns in regards to our athletics department, please contact Coach Kelso at 515-5350. Thank you.
- The LCS I.T. Department is happy to announce a new evening I.T. support program for parents and students called **Tech After Dark**. Starting February 2, 2021, we will be at E.C. Glass High School on Tuesdays and Thursdays from 5:00 p.m. - 7:00 p.m. Parents and students can call (434) 515-5395, during this time, to receive technology assistance with broken devices, accessing the Infinite Campus parent or student portal, account issues and other questions about software like IXL, Seesaw and Google Classroom. As an additional reminder, please note that LCS has T-Mobile Internet hotspots available for students with internet access needs, available at no charge. Families should call either their school principal, email itsupport@lcsedu.net, call the Tech After Dark phone number (434-515-5395), or fill out the Student Tech Assistance Form to request an internet hotspot.

Please check today's email, our Twitter account (@Spartans_SMS), our Facebook page and our website for more important information on school events. Again, this is Matthew A. Mason, and SMS is pleased to serve our community!
