

Principal's News December 2018

Hey there,

We have officially made it to the month of December. This is a short month as we start Winter Holiday Break on December 19th. The month of December also marks the end of the Second Quarter. It's hard to believe that we are already half way through the school-year. Although the second quarter ends in December, report cards do not go home until January 4th.

In the month of December our First and Second Graders will be showcased in the musical *Prime Time Nursery Rhymes* - It is sure to be an exciting time. Also, be sure to check the calendar of events below. There are many fun activities and you will not want to miss out. These newsletters will also be posted on our website under the link Principal's News.

SURVEY

Please take the time to complete a brief school culture survey. The survey window will be open on December 5th and will close December 19th. We will have computers available at the school in the library for those that are interested. The survey can be found at the following link: www.lcsedu.net/survey.

Looking ahead:

Cookies with Santa – December 8th (2:30 – 4:30)

21st Century Program

- The 21st Century Program will be holding its family game night featuring Even Steven Odd on December 11th at 5:00. This is only for students and their families that currently participate in the 21st Century before and after program through T.C. Miller Elementary School. Look for a RSVP from the 21st Century Coordinator Ms. Garrett.

Counselor's Corner

It is hard to believe we are almost finished with the first semester of the 2018-2019 school year! With a focus on character education this year, we have discussed respect, kindness, and honesty/integrity. Through our Terrific Kid program, we have recognized over 70 students demonstrating these character traits. We hope you will continue the discussion at home over break!

We are looking forward to our 3-5 College and Trade Fair this spring. Students are about half-way through their projects. Please ask your son/daughter about their project. We are so excited about the opportunity for our students to research options after high school graduation.

Thanks,

Jeff Guerin
